

2024 Supplement Sheet

Lot 28 - Updated EPDs CED 7 • BW 2.4 • WW 101 • YW 173 • M 30 • Marb +0.2 • RE +1.02

Lot 179 - This bull's dam is the poster child in regards to what I think the ideal cow should look like. She's deep, long and thick, great spring of rib and tremendous volume. She's straight and level with excellent hoof quality and a quiet disposition. She's out of a BAR Cash 707 and has excellent udder and teat quality. This guy is a great bull to use to produce efficient easy fleshing superior females.

Lot 222 - He has the look of a herd bull, not a head bull!

Lot 223 - His Actual and ADJ. IMF is 4.50

Lot 373 - A well-made Fair-n-Square son by an outstanding MCC Daybreak Dam. Our Fair-n-Square cattle have been top notch. His dam is a deep bodied, well-made female that is consistent producer.

Lot 374 - A stout made Fair-n-Square son that has a great look. Our Fair-n-Square cattle have been top notch. His dam is ultra-attractive, has a great udder, and is very productive.

Lot 375 - Cinch is a huge growth bull sired by Wildcat. Our Wildcat cattle are some of the best in our lots and are topping tests nationwide. His dam Caroline is a super productive dam that never misses.

Lot 376 - This Wildcat son is a huge growth bull that will impress you with his structure and stature. Wildcat sons are leading test nationwide. Wrangler is sure to impress you with his strong top and heavy muscle. Idellette 9013 has a great udder, perfect feet and great disposition.

NOTES _____

We are America's largest source of EFFICIENCY TESTED bulls.
